

## Branch closure feedback – how we responded and supported our customers

Before we decided to permanently close the Kyle branch, we carried out a thorough review to understand how our customers and the community would be impacted. We're now near to the closure of this branch, which will close on 27 January 2025.

Your nearest branch to the Kyle branch is Portree branch. You can also use any Bank of Scotland branch to do your banking. Go to [bankofscotland.co.uk/branchfinder](https://bankofscotland.co.uk/branchfinder) for more information.

### Communicating this change to customers

When we announce that a branch is closing, we take a number of factors into account in line with Financial Conduct Authority guidance. We've summarised these in the Branch Review Document, which you can find at [bankofscotland.co.uk/branchfinder/branch-closures](https://bankofscotland.co.uk/branchfinder/branch-closures)

We wrote to customers who use the Kyle branch, to let them know it would be closing. We explained about the other ways they can continue to do their banking with us.

We displayed a poster in the branch to let customers know it was closing. Our colleagues there spoke to customers about other ways to do their banking. These include using our Mobile Banking app, Internet Banking, calling us, or using the Post Office®. We let customers know the nearest alternative branch, free cash machines, Post Office and that a Community Banker would be available nearby.

### We contacted members of the local community

Who we contacted to understand the impact of the branch closure

- The local MP for Inverness, Skye and West Ross-shire and the constituency MSP for Skye, Lochaber and Badenoch
- Banking Team and Senior Representatives from the Post Office
- Post Office Area Manager responsible for nearest three Post Offices to our closing branch
- National Federation of Sub Postmasters
- Skye and Lochalsh Citizens Advice Bureau
- Inverness Chamber of Commerce.

The feedback we received

- Our customers told us they were disappointed about the closure of the branch. We explained about the local alternative banking options including services available at the Post Office. Additionally, we highlighted the services our Community Banker will provide.
- Kate Forbes MSP wrote to us on behalf of her constituents who were concerned at the impact of the closure and how they could continue to bank with us in person. We responded to outline alternative methods of banking available to our customers and the support being offered to vulnerable customers.
- Local councillors wrote to us expressing their disappointment at the decision and asking whether our customers are aware of how they will be able to bank with us following the closure. We responded to confirm that we are writing to customers who use the branch, we outlined alternative methods to bank with us and the support available for our vulnerable customers.

What we've done to help make the change smoother

- We've called individual customers we know use the branch as their main way of banking with us, including customers that may need extra support, to talk to them about alternative ways to bank and to provide help if they need it.

- We've partnered with the Digital Helpline who offer free one to one guidance over the phone to support customers to use the internet for banking. Customers with an identified need for this service have been provided with contact details enabling them to get free support.
- Our colleagues at Kyle branch have been given the training they need to have in-depth conversations with our customers, especially those who may need extra support, about how we can help them.
