

Branch closure feedback – how we responded and supported our customers

Before we decided to permanently close the Langholm branch, we carried out a thorough review to understand how our customers and the community would be impacted. We're now near to the closure of this branch, which will close on 30 April 2025.

Your nearest branches to the Langholm branch are Hawick High Street branch and Dumfries High Street branch. You can also use any Bank of Scotland branch to do your banking. Go to bankofscotland.co.uk/branchfinder for more information.

Communicating this change to customers

When we announce that a branch is closing, we take a number of factors into account in line with Financial Conduct Authority guidance. We've summarised these in the Branch Review Document, which you can find at bankofscotland.co.uk/branchfinder/branch-closures

We wrote to customers who use the Langholm branch, to let them know it would be closing. We explained about the other ways they can continue to do their banking with us.

We displayed a poster in the branch to let customers know it was closing. Our colleagues there spoke to customers about other ways to do their banking. These include using our Mobile Banking app, Internet Banking, calling us, or using the Post Office®. We let customers know the nearest alternative branches, free cash machines, Post Office and that a Community Banker would be available nearby.

We contacted members of the local community

Who we contacted to understand the impact of the branch closure

- The local MP for Dumfriesshire, Clydesdale and Tweeddale and the constituency MSP Dumfriesshire
- Banking Team and Senior Representatives from the Post Office
- Post Office Area Manager responsible for nearest three Post Offices to our closing branch
- National Federation of Sub Postmasters
- The local Citizens Advice Bureau
- The local Chamber of Commerce.

The feedback we received

- Our customers were sad that the branch was closing. We explained how we are supporting our customers with different ways to bank, including the services available at the Post Office.
- We met Oliver Mundell MSP and a number of local councillors to discuss the closure, and the Community Banker service that is to be introduced. We discussed alternative methods of banking available locally and support for vulnerable customers. Mr Mundell was also interested to discuss the process further with LINK and Cash Access UK and we organised a subsequent meeting with Bank of Scotland, LINK and Cash Access UK all in attendance.

What we've done to help make the change smoother

- We've called individual customers we know use the branch as their main way of banking with us, including customers that may need extra support, to talk to them about alternative ways to bank and to provide help if they need it.
- We've partnered with the Digital Helpline who offer free one to one guidance over the phone to support customers to use the internet for banking. Customers with an identified need for this service have been provided with contact details enabling them to get free support.
- Our colleagues at Langholm branch have been given the training they need to have in-depth conversations with our customers, especially those who may need extra support, about how we can help them.

- Langholm branch colleagues held a digital support event to help customers register and use a variety of online and digital services.
