### Why we're closing this branch

Before we close any branch, we look at how our customers are managing their money and using the branch. Most customers are now using our Mobile Banking app, Internet Banking or calling us instead. This means they are using branches, including our North Berwick branch much less.

Because of this, we'll be closing our North Berwick branch. We'll explain more about how we made our decision, and how customers are using this branch on the following pages.

### We're here to help and support you

There's more information included in this review about the many other ways you can bank with us. Refer to the Quick Guides to help you easily see your options for all your banking needs and queries.

A Banking Hub is planned for this area so you'll be able to use it to do your everyday banking. Our Community Banker will be there one day a week and you can come in to talk to us. They can support you with banking online and can also provide help with making payments and other account enquiries.

We've also included details of the nearest alternative Bank of Scotland branches, Post Office® and cash machines (ATMs). And in the lead up to the closure, branch colleagues will support you to get started with our Mobile Banking app and Internet Banking. You can also contact us in the following ways:

If you're a Personal customer  
call **0345 721 3141**

Speak to one  
of our colleagues  
at any branch

If you're a Business customer  
call **0345 300 0268** or speak to

- Current services available in the branch and the branch opening hours
- Visiting the branch to consider the location and understand the alternative ways to bank in the area
